Midpoint Personal Projects Exhibition

Students in the 10th grade diploma has participated in the Midpoint Personal Projects Exhibition that was held on **Tuesday September 29th corresponding to 12/2/1442**, from 1:15 to 2:45 PM, on TEAM's platform with 51 students and 65 teachers, several members of the school's staff have attended the virtual exhibition to take a look at the students' work and presentations.

Students presented their projects to the school community to get a feedback on the work they have executed and to get the right guidance for the rest of the project.

It should be noted that "Personal Projects" is an evaluated subject within the middle years program which is taught at Dhahran Ahliyyah Schools that are accredited by the International Baccalaureate.

This subject focuses on search and inquiry in any interesting topic that students are passionate about, and helps them develop their self-confidence as lifelong learners.

We extend our gratitude to our faculty for encouraging and supporting our students, many thanks go to the students for their valuable participations and their great efforts to make this exhibition a success.

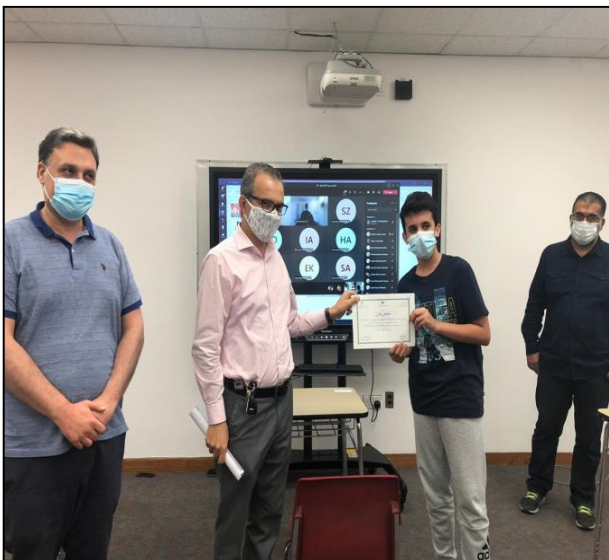

Honoring our Outstanding Students

In collaboration with the students counseling department in the intermediate & secondary levels, DAS administration has honored the schools' top students as well as top students from each grade during the 5th week of the first semester of the Academic year 2020/1442. Most of the appreciation certificates have been delivered via Emails, few of them were handed to the students during their restricted experimental attendance, precautionary measures were taken into account.

Congratulations!

World Teachers' Appreciation Day

The Messenger of Allah (ﷺ) said: "Indeed Allah, His Angels, the inhabitants of the heavens and the earths - even the ant in his hole, even the fish - say Salat upon the one who teaches the people to do good."

The famous writer and artist Gibran Kahlil Gibran said:

"homelands are built by three: a farmer that feeds it, a soldier that protects it and a teacher that raises it"

World Teachers' Day –October 5th- represents a significant token of the awareness, understanding, and appreciation displayed for the vital contribution that teachers make to education and development. Teachers hold the torch that enlightens people's life, teachers stand against all forms of ignorance and work effortlessly to diminish it, they carry on the most divine responsibility which is spreading knowledge and guidance, a mission that was carried out by Prophet Mohammed peace be upon him as he said ""Whoever takes upon a path to obtain knowledge, Allah makes the path to Paradise easy for him."

For this occasion, every year we celebrate and thank all the teachers for their sincere efforts to enlighten the generations.

This year our students have celebrated this meaningful occasion virtually with their teachers by sending them congratulations and appreciation notes. Mr. Nasir Al-Shalaan, the General Director of Education in the Eastern Province, has made a virtual speech that was attended by our students and teachers. Supervised by the school Administration and the Positive Climate Committee, multiple congratulations messages have been sent to our teachers, Administrative staff and students' parents.

We extend our gratitude to the PTA for their active participations and for distributing remarkable gifts to our staff in the boys' section.

Congratulations to our Students who are Nominated to Join the Intensive Training Camp & the Basic Courses for Mawhoub Competition – 2020
