Year 34

Renewing the Pledge of Allegiance

Six years have paved the way to a successful future The anniversary of the pledge ... commemorating growth and development.

On this occasion, we renew loyalty and obedience to the leader of the firmness and determination King Salman bin Abdul Aziz Al Saud, who led this blessed country with a financial and political power that has create a great position among the worldwide countries and has taken a leading position among major countries. May Allah grant him support and His Crown Prince HRH Prince Mohammed bin Salman.

We have celebrated this great anniversary virtually during our daily classes. A short film about King Salman's achievements was displayed, after that students have expressed their feelings and renewed their loyalty oath on the virtual wall that was created by the Activities Department. Students held a discussion, that was supervised by their teachers, to talk about the 2030 vision of our beloved country.

The 21st International College Fair

Sponsored by the general director of education in the eastern province Dr. Naser Abdulaziz Alsha'lan, the 21st international college fair was launched virtually on Tuesday 11/11/2020 corresponding to 25/3/1442. Dhahran Ahliyyah schools have hosted the event for the 21st time in a row, it was attended by a number of high school students presenting different schools within the region, many international and local colleges and universities have participated either from inside the country or outside. This event aimed to introduce high school students in the eastern province to the excellent colleges and universities and the available majors in addition to inform them about the requirements of admission and give them a brief overview on the college life as well as the tuition fees for each university.

DAS wins the international contest (Neom's challenge 2020)

We proudly announce that two teams from DAS have won the 2020 Neom Challenge

First rank in the Energy Field

First rank in the Education Field

STEAM team was represented by two students:

- 1. Ryan Wisam Alshamsi
- 2. Osamah Badr Alja'fari

AP CSS team was represented by

- 1. Ahmad Mohammed AlRabiaáh
 - 2. Abdullah Ahmad Alsaeéd
 - 3. Abdullah Salah Alabdulhadi
 - 4. Ammar Rashid Qudwa'ei
 - 5. Muuyad Adnan Ismaiel

Three teams have participated in the 2020 Neom Challenge in two subjects (STEAM, APCSA), the contest was divided into 6 fields, each team would choose the field of choice among international teams competing from all around the world including USA, India and many other countries.

All thanks and appreciation go to our students and their guardians a well as the third team that competed wonderfully.

Participants:

- 1. Abdelaziz Al Saud
- 2. Ahmad Alabdulwahid
 - 3. Ahmad Aljihani

Many Thanks to the coordinator, Mr. Ali Al-Eid, who also trained our students in a brief time prior to the contest.

All thanks and gratitude go to Dr. Sally Al-Turki who shared with us the link and the Ad of the contest, so we were able to register before the registration period ends then we continued working together over the weekend.

Congratulations!
