The Annual Progress Celebration

(Every year we will be better than the year before)

On Tuesday, February 9th, 2021, at 1:15 PM, Dhahran Ahliyya Schools celebrated the 32nd Annual Progress Ceremony virtually due to the exceptional circumstances imposed by COVID19. May God grant us health and strength, and maintain his blessings bestowed upon us.

The progress ceremony was attended by Dhahran Ahliyyah Schools' founder and president Mr. Khalid Al-Turki with a number of respected guests, Board members, Alumni Council and the whole faculty and staff teams here at DAS.

Our Ceremony was started with the Saudi National Anthem, after that reciting the Holy Quran, followed by the opening speech delivered by his Honour, Mr. Khalid Al-Turki, president of Dhahran Ahliyyah Schools. Mr. Al-Turki congratulated and praised the faculty and staff of DAS for the great efforts and creative solutions they have carried out to guarantee the continuity of learning for our students.

The virtual ceremony depicted the areas of progress through displaying meaningful videos about Distance Learning. Online attendees were conducted on a tour around the virtual gallery of the administrative and academic teams who presented their annual progress, achievements which were inspired by the schools' vision and mission, their strategic goals in all the educational and social responsibility fields.

A video was displayed about our students expressing their impressions of Distance Learning, their positive emotions towards the schools as well as the significant efforts presented to them for the ongoing improvement of learning, and to provide them with the different skills and various experiences.

The celebration was concluded by honouring DAS colleagues who have devotedly spent

5,10,15,20,25,35,40 years in serving our community.

Hearty thanks and congratulations to all the efforts and to the outstanding outcomes that positively influenced our students.

Thank you to all our guests for accepting out the invitation, for the organizers of DAS employees who worked toward producing this remarkable and purposeful celebration.

May God bless our efforts to serve this great country.

The Fourth Personal Projects Exhibition

On Tuesday February 16th, 2021, from 1:00 till 2:15 PM, DAS held the fourth personal projects exhibition. 10 graders (Diploma) in both school sections (Boys & Girls) displayed their projects to the families and school community virtually on Teams' platform. We extend our congratulations to our students in both sections for their hard work to carry out their projects. We cordially ask parents and families to celebrate their children' success and provide all the support needed.

MADAC's Academy Visit

On Thursday 4/2/2021, our schools welcomed a delegation from Madak Academy in Madinah, where the visitors had the chance to get to know DAS philosophy of educational, academic programs, professional and educational practices, and the methodology of continuous development Which our schools implement.

They were welcomed by the leaders' committee members in the boys' section. Throughout the tour, the delegation was informed about the supportive educational environment that encourages continuous learning and development which our schools provide. They visited our classes and laboratories as well as the Learning Resources and Maker Spacer Labs.

A PowerPoint Presentation was displayed in the schools' theater regarding the educational and academic programs provided by DAS. We were joined by our colleagues who work at Nomou Educational Center and the Educational Book House who presented a review about their work and activities.

MADAC's delegation praised the schools' programs and the excellence of our educational outcomes.

The visit was concluded by thanking the employees of the schools for their remarkable efforts.
