## Record Day on Discord Electronic Brain Games

The Mother's Committee at DAS for the support of Projects for Educational Development organized the Records Day Festival which aims to be an enjoyable event for students and their mothers in order to enable students to showcase their skills and talents, as well as to take part in fun activities. The Festival was held virtually this year from December 8, 2020 until February 2, 2021, in which a number of institutions and companies participated by sponsoring activities and events.

The Student Council also supported this important event through "Record Day on Discord" for the Intermediate and Secondary levels and for school staff on Tuesday, February 2, from 12:00 until 2:00 pm. Over 30 staff and students joined Discord and enjoyed games such as Roblox, Among Us, Scribble, Uno, Connect 4, Chess, and more.

We thank all those who have made the Records Day Festival which supports the Educational Book House of Dhahran Ahliyyah Schools.
