

"OUR MISSION"

Inspired by the principles of Islam, the mission of Dhahran Ahliyya Schools is to empower each student to be a compassionate, thinking, lifelong bi-lingual learner, who makes a positive difference locally and globally.

Year 30

اليوم الوطني السعودي

Saudi National Day

Country is a word that indicates love and dedication- dedicating everything we own for the good of our country.

Country is the past history, the flourishing present and the promising future.

Our Country is the great civilization expanded from Makkah in the West to Al Ahsa in the East, and from Najran in the south to Al Jouf in the North.

Our Country raised us when we were young and gave us love and support.

Our Country wants us to protect it and build its future by becoming good citizens.

Citizenship is when we learn and work sincerely and honestly for the development of our Kingdom.

Citizenship is when we offer help to the poor people in our community as much as possible.

Citizenship is when we respect and adhere to the rules and regulations instead of violating them.

Citizenship is when we keep thinking creatively about how to develop our country.

Practice Evacuation Plan

The practice evacuation drill was conducted on Tuesday, Sep. 27, 2016. On the previous week, the teachers discussed the instructions with the students. The students were well-trained theoretically about following instructions about maintaining order with moving out in order to avoid crowding during any evacuation.

The practice was successfully conducted and evaluated by DAS faculty, staff and the students, as well. Another practice will be conducted in the coming weeks to make the best use of the evaluation and the feedback provided for improvement.

Punctuality Policy

We would like to remind our respected parents and students to adhere to the schools' Attendance and Punctuality Policy; By which students will arrive in school early and will only be late or absent according to the excuses accepted by the school. DAS' Attendance and Punctuality Policy was shared with you in the beginning of the school year through the Students' Commitment Codes, and is also available on the school's website www.das.sch.sa. The official excuses need to be submitted to the grade level proctor (Muraqib) within 5 days of the actual absence, at the latest. Otherwise, the absence will be considered an unexcused absence.

Thank you for Cooperation!

School Dress Code and General Appearance

Respected Parents,

In an effort to accomplish a balanced and integrated growth for our students and help them acquire good lifestyle habits, we expect that our students maintain cleanliness of their bodies, clothing, hair and nails. We also expect that parents follow up these matters with their children.

Also, parents are kindly requested to make sure their children are dressed according to the dress code given by the Ministry of Education. Intermediate and Secondary students are required to adhere to the Saudi thobe. If the students have PE classes, they are allowed to wear their PE uniforms all day. Please note that shorts and tops containing phrases or images that are contrary to the given Ministry instructions are strictly prohibited.
