Celebrating the World Sustainable Energy Day

In celebration of the World Sustainable Energy Day, on Thursday, December 28, 2021, DAS students of STUCO invited female students and school staff to participate in turning off all the lights in the classrooms and administrative offices from 2:00 to 2:15 PM. They also encouraged wearing T-shirts colored according to each superpower, with **blue** representing hydroelectricity, **white** for wind energy, **yellow** for solar energy, and **green** for bioenergy.

We thank everyone for active participation.

Precautionary measures for Covid19 (1)
(The Impact of Covid19 on Social & Mental Health)

One of the Service as Action projects – 6th graders

Service as Action is an integral component of the IB's Middle Year Program at Dhahran Ahliyya Schools and a mandatory requirement for all students from grade 6 - 9. It is learning by doing and experiencing through which students build authentic connections between what they learn in the classroom and the challenges they encounter in the community. Through their responsible actions for helping the community, DAS students will develop their IB learner profiles. It is DAS' belief that this constitutes the basis for success inside the classroom and in real life, and making a positive difference, locally and globally, as described in DAS mission.

Sixth grade students have worked on a project regarding good health, under the title (The Impact of the Covid19 on Mental and Social Health), which aims to increase the school's community awareness of the Virus, its symptoms and how to prevent it. Students Tala Alsuraihi, Danah Alabdulmehsin, Dana Baltiyor, Jumana Al-Saadoun, and Farah Erekat provided sufficient information and educational guidance to the school community to achieve the goal of the project, which is: the importance of following health measures and precautions to prevent and reduce Covid19. The project was supervised by Mrs. Hajer Khider.

Important instructions:

1. Raise the awareness on the necessity of constantly wearing masks.
2. Apply Physical distancing.
3. Wash your hands regularly.
4. Avoid touching the nose, mouth, and eyes.
5. Cover your mouth and nose when you sneeze.

Wishing you all good health and wellness
