The 4th Mid-term Exhibition for Personal Projects

10 graders at DAS have completed their Mid-term Exhibition for Personal Projects for the academic year 2022-2023 on Tuesday 13/12/2022. The event was a great success that combined over 48 inspiring, creative projects. The exhibition aimed at two goals: first, to display the students' works to their mothers, teachers and supervisors. The other was to test their products through a set of questionnaires they conducted during the exhibition. The given feedback was so valuable and served a great purpose in the success of these projects. Stay tuned to know more about the promising ideas by the end of this trimester.

KG3 Students Do their Research in the School's Library

In support of the kindergarten activities, and in order to integrate them together and activate the element of inquiry for the KG3 students, our library has been supplied with more resources to enrich the students' minds and answer their questions regarding the theme "How the world works" that its main idea revolves around the concept (force causes all motion) which also states the following:

- Shapes of objects and how they affect motion.
- The effect of object shape on motion (pull, push).
- Change on objects' motion (on flat surface, steep or inclined).

The library team at our school has organized the shelves and corners containing the new sources and books that will benefit the inquiry purposes of our students

Al-Tamimi's Park Trip – KG 1 & 2

In support of the students' social and communication skills, KG 1-2 students took a trip to Al-Tamimi's Park where they spent a fun time with their friends and enjoyed the nice weather on Monday 12/12/2022

Camping Night Activity 2nd Grade

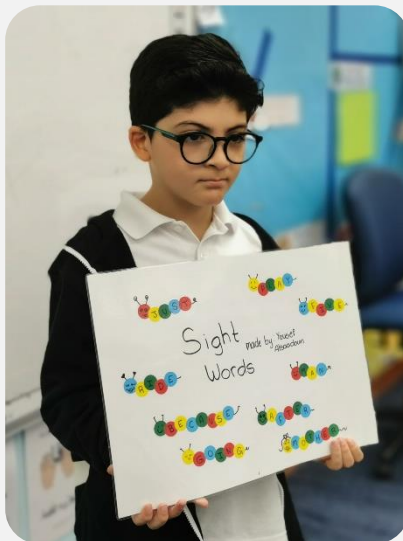

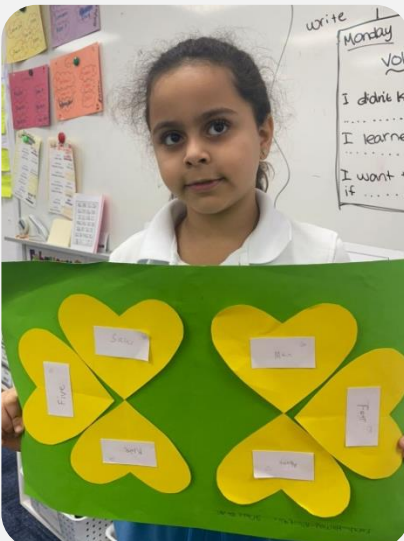

On Tuesday, 13/12/2022, students in the 2nd grade had a night camping activity in the school's yards where they were joined by their mothers. They enjoyed playing fun, entertaining games such as: treasure hunt, gathering balls, traditional proverbs contests and many others. We extend our thanks and gratitude to Shaggag Adventures for the outdoors installations & accommodations, thanks also go to the students' mothers for their valuable participation as well as our teachers for their tireless efforts.

Creative Ideas During the Common Words' Week

In order to highlight the importance of reading in English, students in grades (1-2, early elementary level, Boys & Girls) carried out the (Common Words' Week) activity where they creatively displayed their brilliant ideas in multiple ways.

Student Council Activities

Jersey Day:

In celebration of the World Cup, during the first week of school of the 2nd trimester, DAS girls wore jerseys to support their favorite team, but they made sure they maintain and highlight peaceful sportsmanship.

Face Painting:

On Thursday, Dec. 8, 2022, STUCO executive team members alongside other volunteers from the art class face painted more than 90 girls' faces. This event spread positive vibes and added to the sportsmanship celebrated during week 1 in Trimester 2. All these multicultural symbols and flags truly made reflected good spirits and international mindedness.

Socks Day:

On the 6th of December, DAS girls were encouraged to wear colorful and crazy socks. From pringles to music notes, from students to staff, another day went very noticed and celebrated!

Red December!

DAS employees and students were encouraged to wear red on December 15th to celebrate the Energy Conservation Day. DAS has activated the Colors Event, where both students and staff can celebrate a certain color each month and Red was the color chosen for December.
