

DAS News Brief

Honoring 30 Outstanding Students

Our school honored 30 top students from the intermediate and secondary levels for their academic excellence last year.

Launch of the Morning Reading Program

The Good Morning Reading program for elementary students has launched, with the father of our student Hussein Al-Khamis participating. Other interested parents are invited to contact their children's teachers.

MAP Tests Begin

Our schools have begun conducting the MAP Tests for students, aiming to assess their academic skills and accurately determine their levels to support the improvement of educational performance.

Week Without Walls Program

This year's "Week Without Walls" program has started for Grade 11 students, aiming to design and implement projects with a positive community impact, with participation from all segments of the school community.

Reminders:

- You are invited to attend the general parents' meeting on Tuesday, September 16, 2025, at 6:15 PM.
- DAS is preparing to celebrate the 95th National Day, and a celebration guide will be sent soon.
