DAS Brief

Our schools held their annual parent meeting at the start of the academic year, introducing new school leaders and teachers while highlighting academic programs and the schools' key achievements.

The school held a series of information sessions on MYP projects, Week Without Walls (WWOW), and the CP and DP programs, explaining project requirements and the stages of implementation.

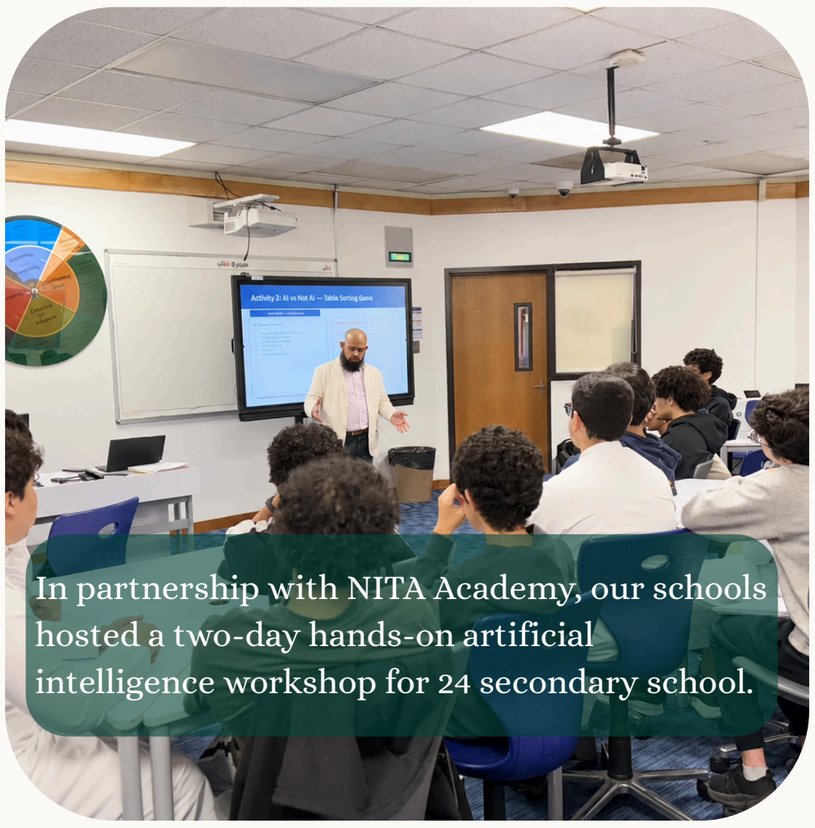

As part of the “Our Summer of Giving” initiative, Dr. Muneerah Almahasheer, Director General of Education in the Eastern Province, honored our schools for their active partnership with the Tarmeem Association and their contributions to community service & volunteer work.

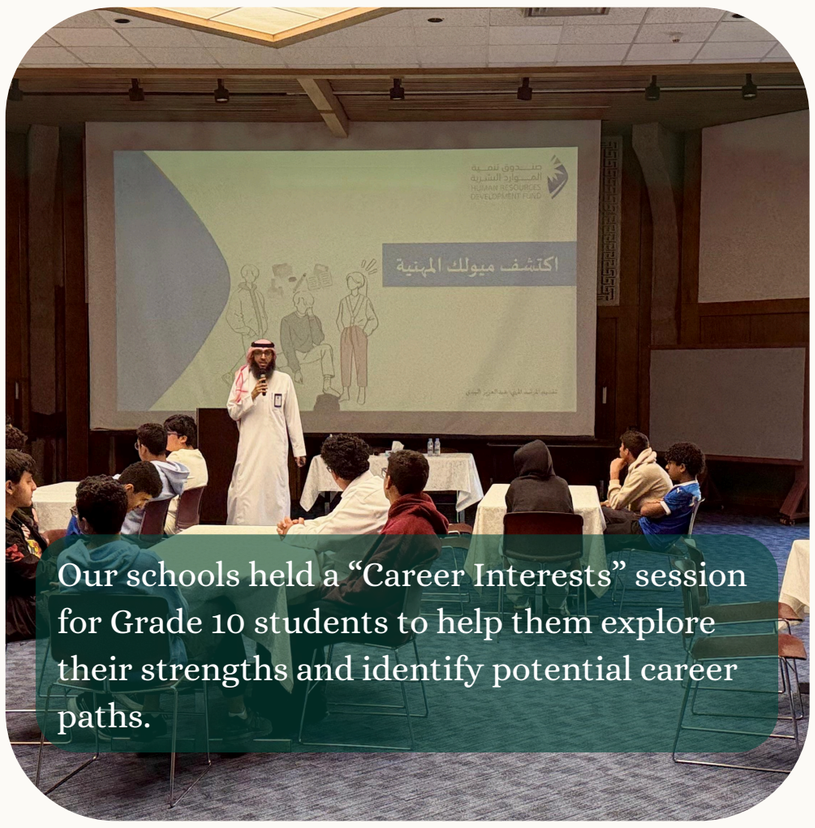

Adding to our new students’ achievements, Hadi Al-Qatari has qualified for the 2nd Elite Forum in Physics.

The table Tennis Tournament for students in Grades 5 through 12 began amid enthusiastic competition.

In partnership with NITA Academy, our schools hosted a two-day hands-on artificial intelligence workshop for 24 secondary school.

Our schools held a “Career Interests” session for Grade 10 students to help them explore their strengths and identify potential career paths.

The Alumni+ Council is holding regular meetings to prepare for the schools’ 50th anniversary celebration and the annual alumni gathering.

An open university and career guidance session brought together students in grades 8-12 and their families to discuss university plans and how to build a strong application profile.

Our schools hosted a university fair to introduce students to a range of universities and academic majors to help them explore their options for the future.
