DAS Brief

Our school marked Saudi Arabia's 96th National Day in a spirit of pride and unity, with activities ranging from national-themed lessons and traditional games to a friendly sports match between teachers and students.

In an exciting sporting achievement, the high school volleyball team won first place in the “Dome” Sports Tournament.

Our schools secured second place in the goalball tournament organized by the Efaa Association for Persons with Disabilities.

A workshop on machine learning and chatbot development, held in collaboration with the Ministry of Communications and NITA Academy.

The Positive Climate Committee hosted a breakfast for school staff to celebrate World Teachers' Day.

Our schools held a machine learning and chatbot workshop in collaboration with the Ministry of Communications and NITA.

Our schools continue their morning reading activities with parents and school staff taking part.

Our schools have been accredited for their leadership in school volunteering after fulfilling the requirements of the “Rasheed” program in collaboration with Al Fozan Academy.

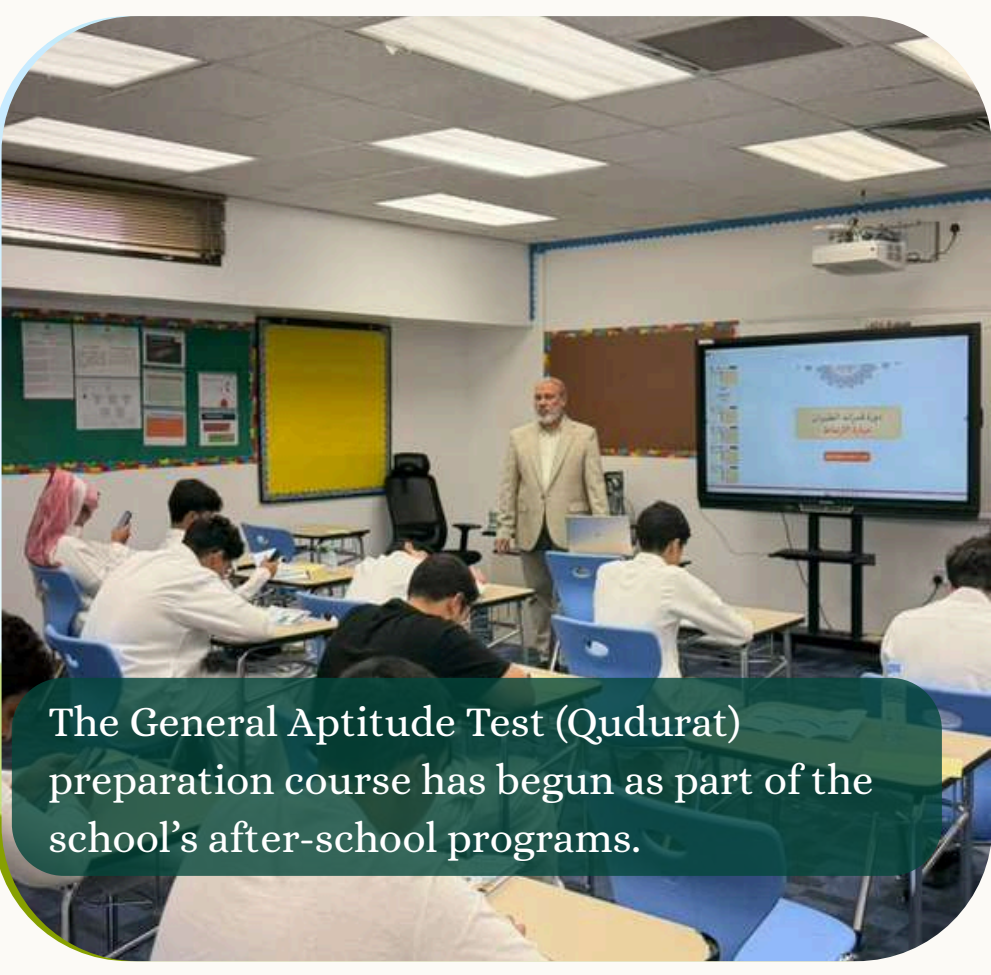

In an exciting sporting achievement, the high school football team won first place in the “Dome” Sports Tournament.

In an exciting sporting achievement, the high school football team won first place in the “Doom” Sports Tournament.

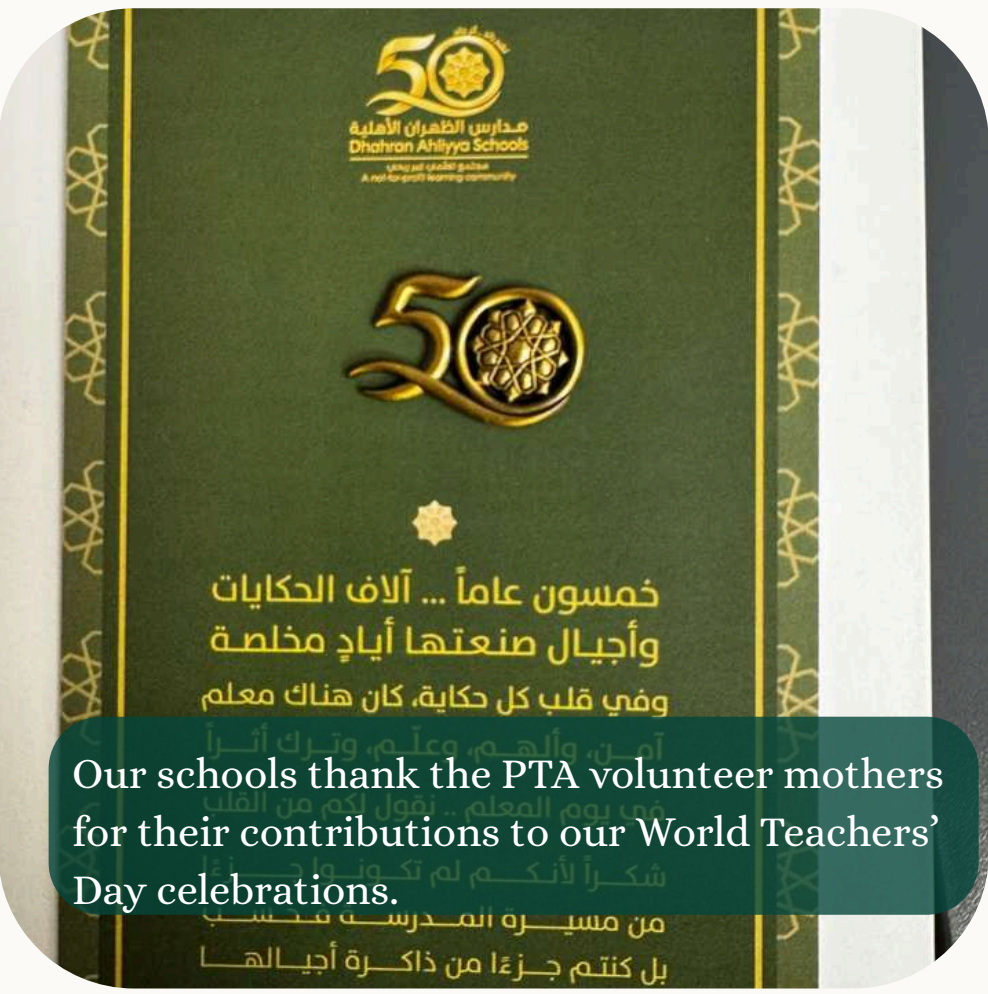

Our third-grade students visited the Innovation Oasis at Numou Center, exploring robotics and 3D printing through hands-on activities.

The General Aptitude Test (Qudurat) preparation course has begun as part of the school's after-school programs.

The elementary school table tennis tournament concluded with exciting matches and spirited competition among the students.
