Dhahran Ahliyya Students Celebrate Their Nation's Story on Saudi National Day

Dhahran Ahliyya Schools (Girls Section) celebrated Saudi National Day with diverse programs and activities that reflected national pride and strengthened students' sense of belonging, loyalty, and responsibility. The celebrations honored the Kingdom's achievements and identity. Throughout the celebrations, students expressed their love for their homeland with enthusiasm and pride.

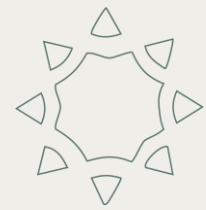

For the KG learners, belonging began with small steps. Dressed in national attire, early childhood students brought joy to classrooms through activities and patriotic songs. Together, they explored themed stations, interactive games, and traditional performances, combining learning with celebration while nurturing citizenship and pride in their Saudi identity from their earliest school years.

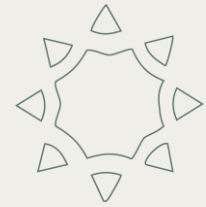

Elementary students enjoyed celebrations that blended education and entertainment through patriotic songs, interactive stations, purposeful games, folk performances, and creative theatrical presentations that expressed their love for the Kingdom and its values. Historical dramatizations traced Saudi Arabia's journey, highlighting kings' contributions to nation-building and development. They also showcased the country's remarkable transformation and growing standing at home and abroad, deepening students' historical awareness and pride in their leadership.

Middle and high school students presented a celebration featuring choral performances and artistic presentations that captured the beauty of Saudi performing arts. Their performances highlighted the richness of the Kingdom's cultural heritage and the variety of traditional regional costumes. Activities also explored national development and future aspirations under Saudi Vision 2030, emphasizing students' role in shaping the future through education, work, and responsibility.

The celebration featured "My Commitment to My Country," a competition that promotes responsible citizenship through positive everyday actions. Themes included environmental protection, volunteering and community service, respect for laws and regulations, protection of public property, support for Saudi Vision 2030, and digital responsibility. Students submitted creative designs and poems, and participants were honored for their outstanding contributions and creativity.

Through these celebrations, the schools foster a deeper connection to the nation and inspire students to take pride in their identity and play an active role in their communities. These efforts support the schools' mission to nurture well-rounded individuals who are informed, take initiative, and contribute to their country's future.

Student Council Elections for the 2026-2027 Academic Year

Our school recently held its 2026-2027 Student Council elections amid enthusiasm and a strong sense of school spirit. The elections gave students a meaningful opportunity to demonstrate their maturity and thoughtfully choose their leaders.

With strong candidates in the running, choosing between them was both challenging and exciting. Students cast their votes confidently, trusting that the elected team would lead the council with competence and dedication.

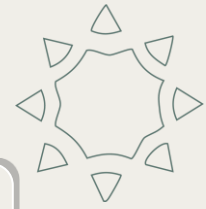

The Student Council's Instagram account also saw a noticeable increase in views and profile visits. Students in Grades 7-11 elected their class representatives, while the council elections resulted in an outstanding leadership team:

Student Council Marks Saudi Arabia's 96th National Day with National and Community Initiatives

To mark Saudi Arabia's 96th National Day, the Student Council at Dhahran Ahliyya Schools' Girls Section organized activities and student initiatives that nurtured national pride and a sense of belonging. Through creative, interactive experiences, students expressed their love for the Kingdom while contributing to their community and putting social responsibility into practice.

The celebrations featured three main initiatives:

First: Saudi Arabia Through My Lens

Held during the first recess for students in Grades 6-8, this activity invited participants to express their love for their country through photography, capturing the Kingdom's landmarks and identity from their own creative perspectives.

Second: A Nation That Brings Us Together

Students in Grades 9-12 took part in this activity during the second recess, celebrating the Kingdom's unity and diversity while exploring the shared national values that connect its people.

Third: Tourism Awareness Corner: Serving Our Community

Alongside "Saudi Arabia Through My Lens," Student Council members distributed short awareness cards under the theme "Hospitality Is Our Identity." The cards shared positive practices and etiquette for welcoming tourists and visitors, encouraging a spirit of hospitality and presenting a positive image of Saudi society. They also highlighted how each individual can help support tourism across the Kingdom.

These initiatives reflect the Student Council's role in helping students develop leadership skills, take initiative, and contribute actively to their community. They turned a national celebration into meaningful opportunities for learning and volunteering, reinforcing the values of citizenship and social responsibility.

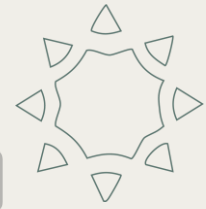

At the close of the event, the Student Council shared a message with the school community:

"From north to south, from east to west... united in our diversity, proud of our nation."

The message reflects our students' pride in the Kingdom's diverse regions and cultures, and their belief that this diversity strengthens national unity. It celebrates a country they are proud to call home and serve.

Proud of their country, our students turn their love for their homeland into actions to make a difference.

Our Students Join “National Human Mosaic 6” for the Sixth Consecutive

Middle and high school students from Dhahran Ahliyya Schools joined the sixth “National Human Mosaic,” alongside government agencies, businesses, nonprofit organizations, and other communities in Al Khobar.

Together, they formed a national image celebrating belonging and community unity.

The schools are proud to participate for the sixth consecutive year, reinforcing their commitment to national identity and active citizenship.

The mosaic will be unveiled on Saudi National Day, September 23, 2026, through the initiative’s official platforms, showcasing participants’ collective efforts and shared pride in the Kingdom and its leadership.

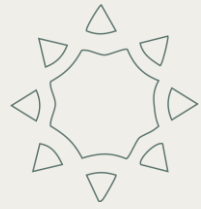

Introducing the Volunteer Team at Dhahran Ahliyya Schools

Dhahran Ahliyya Schools hosted an introductory meeting for its volunteer team, welcoming mothers interested in volunteering. The session introduced the schools’ vision and mission and highlighted how volunteering fosters generosity and social responsibility. It also covered key agreements, the school’s child protection safeguards in line with international standards, and the volunteer committees led by mothers under school supervision.

The meeting received an enthusiastic response, with many mothers signing up for committees and joining the volunteer team. Their participation strengthens the partnership between school and families and supports school programs and initiatives.

Mothers interested in joining the volunteer team and its committees can sign up through the attached registration link.

Student Council Celebrates Teachers on World Teachers' Day

To celebrate World Teachers' Day, the Student Council at Dhahran Ahliyya Schools (Girls Section) organized a special initiative to thank teachers and recognize the inspiring role they play in shaping students' futures.

Students created a dedicated corner filled with messages of appreciation and surprised teachers during recess with flowers, thank-you cards, and small gifts, bringing smiles and joy to their day.

One particularly thoughtful gift was a mirror bearing the message, "This mirror reflects a truly beautiful teacher." It served as a reminder that a teacher's true beauty shines through the positive difference she makes in her students' lives and those around her.

Teachers welcomed the gestures warmly, and the celebrations filled the school with smiles and heartfelt appreciation, reflecting the close bonds within the Dhahran Ahliyya Schools community.

The initiative highlighted the school's spirit as a caring community built on gratitude and generosity. It also showed how a simple thank-you can make a meaningful difference and create a lasting memory.

On this occasion, the Student Council shared a message for every teacher:

"Thank you for inspiring us, giving us hope, and making a difference that stays with us long after the lesson ends."
