

DAS News Brief

A Warm Welcome for Our Returning Students

On Sunday morning, August 24th, 2025, the new school year began in an atmosphere of excitement and optimism, as schools welcomed students from Grade 3 through high school.

Introductory Meeting for New Students and Reception for Third Grade

Our school organized an introductory meeting for new students across all grade levels, introducing them to school regulations, educational services, and various activities.

Important Announcements

Arab Reading Challenge

We want to announce the upcoming opening of registration for the Arab Reading Challenge. The competition usually begins in September, and the official registration date will be announced soon.
