

DAS News Brief

Our schools have reopened the football fields following renovation work, and to celebrate the occasion, a friendly match was held between teachers and students.

In a new achievement, we are pleased to announce that our schools have been granted membership in the Council of International Schools (CIS).

Several of our students participated in the 2025 Eastern Creativity Exhibition as part of the National Science Creativity Olympiad.

Business students joined the "Entrepreneurship" program at Al Yamamah University in Dammam.

As part of our sports activities, a basketball training camp was held for fifth- and sixth-grade students.

As part of our sports activities, the basketball tournament for fifth-grade students has concluded.

Important Reminders

- We remind our students to register on the National Volunteer Platform to track and record their accredited volunteer hours via the following link: <https://nvg.gov.sa/auth>. Contact us at: 0568804117
- Final Call: Bebras Competition Registration Ends December 1, 2025
